

Lowndes High School Georgia Bridgemen Band Booster Meeting February 22, 2016

I. **President Matt Hart**

Mr. Hart opened with a welcome to all at 6:30 PM.

II. **Director's Comments: Jon Bowman**

- Winter Guard and Indoor Percussion are in the middle of a great season. This is a year of big accomplishments for the kids. Great kids with great attitudes are in this program. Varsity scored 2nd place last weekend, and the Indoor Percussion earned their first win at Orange Park last weekend. JV Winter Guard is also doing well, and these teams will go to Dayton, Ohio in April for competition. WGI released rankings, and Lowndes Varsity ranked 16th out of 882 teams. Lowndes was the only Georgia school represented in the top 20.
- Concert bands will compete on March 3 at Bainbridge College, and parents are invited to attend. Concert band performs at 10:40, Symphonic band at 11:05, and Wind Symphony performs at 11:30.
- The “Friends and Family” show for Indoor Percussion and Winter Guard is set for March 21st after the band booster meeting. Please support the raffles going on that night that are to help kids raise money for their upcoming competition in Dayton, Ohio. The raffle will be during the “Friends and Family” night held in the gym. Many great prizes are in the raffle. See any WG or IP student to purchase your ticket.
- The deadline to purchase Boston butts is March 11. Sales are good so far, but we can sell more. Each ticket sold puts cash in your student's account.
- An important fundraiser this spring is the “Birdies for the Bridgemen” golf tourney at Kinderlou on May 5, 2016. Hole sponsors are needed, and students will add 50% of profits to their band account. This is an excellent fundraiser and requires little paperwork on the part of students. Flyers for this event are available tonight. The student who sells the most hole sponsorships also will win an iPad Air. This prize was donated by our travel agency to help with the fundraiser. Students should check the band website to see

which businesses have already committed to be hole sponsors. This list will be periodically updated.

III. President's Comments: Matt Hart
