Transportation Needs: Chris Buescher

This fall 'the convoy that never ends' consisted of 13 buses, one semi, and up to four additional trailers before the season was complete. To keep us rolling safely we are always looking for additional individuals either currently licensed commercial vehicles or willing to be trained. We are in desperate need of drivers for this fall. If you are interested in being a part of our transportation team, please contact Chris Buescher at 229-292-2028 or via email at chrisbuescher15@gmail.com or see him tonight for this information.
