This will be the only bag that you will be allowed to bring on the bus. You will need to have your dry-fit shirt and shorts to wear on the bus.

9:46am – At the beginning of 2nd block all band students will report to Band Room to load buses. All Brass, Saxes, Low Reeds, Percussion and Auxiliary will already be loaded on semi. Flutes and Clarinets will need to get their horns and take on the bus when you load.

Male students at this time will put on their tux pants, black socks and marching shoes. Once the female students are done eating, they will swap with the male students and the female students will get dressed in full uniform. I will be on the radio going over all of this in detail.
