

Procedures for Home Football Games

All Students - No one is allowed in the building before 6:00pm. Even if a door is unlocked, which it shouldn't be, no one is allowed in the building. Only current band students are allowed in the band room. No brothers, sisters, friends, alumni, etc.

PARKING:

- We need to try to utilize the bus loading area for parking. It will give you the best option for exiting after the game. Please make sure that you leave an opening by the building for emergency vehicles to enter and exit.
- Of course you can use the student parking lot as well.
- DO NOT PARK BEHIND THE BAND ROOM

UNIFORM:

- You either have all of your uniform on or none of it. You are welcome to change in the restrooms in the school after 6:00pm.
- If you need to purchase gloves, bow tie, etc. you can do that in the uniform room.
- Make sure you are wearing long black socks. Ankle socks even if they are black are not permitted.
- No jewelry is allowed when in uniform. Girls can wear SMALL stud earrings. Bowman will make the final decision if the earrings are in question.
- Hair needs to be able to go inside your hat. If you are having trouble with this I will have parents available in the uniform room to assist.
- ALL STUDENTS MUST HAVE THEIR GREY NECK GAITER. I have a few to sell but you need to find the one that was issued to you. This will be the easiest option when we play.
- No makeup when in uniform. It will get all over the tux shirt and eventually the jackets.
