

Lowndes High School "Georgia Bridgemen" Band

Orlando Trip 2021

November 4 - November 7, 2021

This trip for our band has been officially approved by Mrs. McCall, principal of Lowndes High School and therefore is considered a school function for our band. One of things that has made our band great and one of the most recognizable bands in the Southeast is our opportunity to travel...and we are ready to travel again.

We have read, understand, and agree to the trip information for the dates above. We have a copy of the suggested itinerary and understand our financial obligations (either paid or through participation in fundraisers).

Any cancellations made after you have paid your deposit will not be refunded. The only refunds that will be granted are for our families that move due to military orders. Every time a payment is due the balance is sent to the tour company and we cannot get the money back.

This Intent form must be on file with Mr. Bowman in the Band Room office by Friday, April 30th. Hahira, Pine Grove and Lowndes Middle School students will return to their respective directors at their Middle School.

_____ I **WILL** be participating and intend to travel with the band to Orlando, FL.

_____ I **WILL NOT** be able to participate with the band.
