

# **CHAPERONE/PARENT OPTIONS FOR NEW YORK/DC TRIP NOVEMBER 24-29, 2024**

As you know, if you have traveled anywhere lately, the cost of hotels, transportation and food has risen immensely. As the directors and booster officers worked alongside our friends at Group Travel Network to put together what we feel is a trip of a lifetime for the Lowndes Band students, cost was our number one concern. With that being said, we did not feel that we could tack on any more cost to the students to help offset the cost for the adults who wanted to attend the trip.

The following two options will be what is available to our adults wanting to attend.

## **OPTION #1**

**Chaperone: (Same discount received by the students)**

Quad - \$1848.00/person (must provide us with names of the other 3 people)

Triple - \$2002.00/person (must provide us with names of the other 2 people)

Double - \$2306.00/person

## **OPTION #2**

**Friends and Family: (No Chaperoning Students. You will have all of the same experiences as everyone else on the trip. This will also include all transportation from Valdosta to NYC, NYC to DC, DC to Valdosta. Even if you decide to have your own transportation i.e., flying to NYC, flying home from D.C., your cost will not change because we have to provide transportation for you while in NYC and DC.)**

**We are offering our chaperones a discount (student price) so this option is higher in cost.**

Quad - \$2098.00/person (must provide us with names of the other 3 people)

Triple - \$2252.00/person (must provide us with names of the other 2 people)

Double - \$2556.00/person
