

ITINERARY FOR SATURDAY, DECEMBER 7th

Washington DC Performance, Fellowship Home and Valdosta Parade

With Lake Park changing the date of their parade we have a conflict with SWAV. Thank you to those who are participating in SWAV because you are definitely making a difference in young kids' lives in our community. With that commitment being made by over half of the band, we will not be able to depart from LHS in time to make the Lake Park parade. What we are going to do is our performance that was rained out in DC. Please pay close attention to the following times.

1:45pm - All students report to PAC with instruments for DC performance (even if you did not go on the trip). Dress will be full uniform minus hats.

2:30pm - Performance - Please invite all family and friends to attend

3:10pm - Immediately following the performance we will load and leave for our performance at the Fellowship Home. All wind players will carry instruments on the bus. Tubas and Battery Percussion will load instruments in the trailer.

3:30pm - Depart for Fellowship Home

4:00pm - Performance at Fellowship Home

Immediately following the performance we will load and head over for the Valdosta Parade.

6:00pm - Scheduled time for start of the Valdosta Parade.

Notes for Valdosta Parade:

- There will be no check outs after the parade. Pick up will be back at LHS.
- Please make sure your parents park on the west side of Patterson St. That would be towards LHS. If they park on the other side of the road, they will be blocked in until the parade is over.
- Once we pass through the parade your parents will need to head towards the school for pick up.

8:00pm - Approximate pick up time at LHS
