Details About Tomorrow

Well here we are. This is about to be one of the greatest experiences and challenging two weeks. You will be different person after these two weeks. Just a few reminders....

Brass players make sure you have batting gloves to protect your instrument.

If you have not rented your instrument yet, we will take care of that tomorrow.

Boosters will be on site in the morning to take payments if needed.

We will meet in the cafeteria at 9:00am to start the day.
